Diving Services

Kelan Gondrezick Blue Locker Commercial Diving Services LLC P: 702-586-3145, F: 702-534-7843 BlueLockerDiving@gmail.com		Payment Terms: Upon project completion and delivery of digital reports. If payment arrives past 30 days then a 2% fee per day late after 30 days will be added per day to the total cost of project.
Tanks	Scope of Work	Clarifications
<ul style="list-style-type: none"> See List Below 	<p>Remove up to 2" of Sediment from the tanks listed; a full exterior and interior inspection will then be performed.</p> <p>Electronic written report & Video Report of the services provided are included in this cost. This will Provide you with digital copies of reports for your records.</p> <p>According to the utility there are No Access or Discharge issues.</p>	<ul style="list-style-type: none"> This cost is based on 2 inches of normal sediment removal, if the sediment is over 2 inches or at a consistency (sand, clay, rocks, etc) that requires the cleaning process to take longer than expected the additional sediment will be removed at a rate of \$450 per Hr. A written work for any additional work will be provided to the authorized utility representative for review and approval before any additional work is performed. If there are any delays due to no utility personnel onsite, tanks that are not full, locked gates or hatches a downtime charge of \$450 an hour will be applied
Additional: 1 Hour of Epoxy repair is included as needed in the price of the tanks.	Prior to divers arriving on site, the tanks must be at overflow water level. This ensures the safety of the divers and helps maximize suction from our pumps, if tank or tanks are not full hourly rates may apply	All dive gear and personnel will be sprayed down and saturated with a 200-PPM Chlorine Solution pertaining to AWWA standard C-652. All Commercial Divers are legal US citizens and accredited from a commercial diving academy.
NA	Quote is valid for 30 Days	We abide by all OSHA regulations pertaining to surface supplied air diving and scuba diving.

**“PROFESSIONAL DIVERS,
TOP QUALITY CRAFTSMANSHIP”**

Tank Name	Length	Width	Capacity	Inspection Price	Cleaning and Inspection Price
Hill Tank	NA	NA	NA	NA	\$2,825.00
Inspection Total - NA					Total - \$2,825.00

1. One hour of epoxy repair is included if necessary to improve the life of the coating per tank.
2. Prices include all mobilization costs, reports and video documentation.
